

Free Recruitment Advertising Resources

Below is a sampling of job boards that are commonly used by hiring managers and principal investigators. These sites are available at no cost to the department.

[Indeed](#)

Indeed is the world's # 1 job site. It currently has over 200 million unique visitors every month from over 60 different countries. We are able to post jobs as sponsored jobs through Indeed. Sponsored jobs remain high in search results and appear prominently at the top and the bottom of the page, even as time passes. This increases the chances of applicants seeing our positions and applying.

[LinkedIn](#)

LinkedIn is a social network for professionals. It is used to find job opportunities, seek candidates, and build a professional network. There are currently over 500 million users registered to LinkedIn nationwide. We currently recruit candidates from LinkedIn and post positions at the manager's request. We have recently acquired additional job slots, allowing us to increase the volume of resumes to your positions.

[Metro NY & Southern Connecticut HERC](#)

The Metro New York & Southern Connecticut HERC is composed of a diverse group of public and independent schools, colleges, and universities. Member representatives include faculty, staff, human resources professionals, institutional leaders, and faculty relations experts. Metro New York & Southern Connecticut HERC (Higher Education Recruitment Consortium) uses a web-based search engine that includes faculty and staff job listings at all member institutions.

Diversity Job Boards we post our positions to at no additional cost to departments:
