Value received at this event equals $85. Contributions are deductible for income tax purposes only to the extent the amount paid exceeds the fair market value of the benefits received. If you are making payment through a donor advised fund or a private foundation, please consult with a tax advisor as IRS rules may limit your ability to pay for tickets through foundation funds.

Proceeds will benefit the Women’s Division initiative to support vital cancer research—including ovarian, lung, colon, prostate, cervical, uterine, pancreatic, and breast cancer, as well as leukemia and lymphoma—conducted at Albert Einstein College of Medicine.
