I write to you as someone who has recommended a medical student in the past to FASPE’s summer medical ethics program. Applications are now open for our summer 2018 program. Below is a short email-friendly description of the program that I hope you will share with MD and DO students. Please also share our informational flyer that is available at this [link](http://www.faspe-ethics.org/fellows-by-year). If you have colleagues who may know interested students, I would be grateful if you helped disseminate this information as widely as possible.

Thank you for your help.

Executive Director, FASPE

**Please Share: Summer Ethics Program for Medical Students**

FASPE (Fellowships at Auschwitz for the Study of Professional Ethics) is now accepting applications for its 2018 Medical program. FASPE Medical is a fully-funded, two-week summer program that uses the conduct of doctors and other medical professionals in Nazi Germany as a launching point and backdrop for an intensive study of contemporary medical ethics. FASPE Medical is predicated upon the power of place. Fellows visit Auschwitz and other sites in Germany and Poland where they consider how to apply the lessons of history to the ethical challenges in medicine today. **In 2018,** the program will take place from Sunday, June 17 to Friday, June 29. (Fellows are expected to arrive in Europe by Saturday, June 16.) All program costs are covered, including the equivalent of round-trip travel from New York to Europe, as well as all European travel, lodging and food. FASPE Medical Fellows travel and share some seminars with Fellows in the FASPE Seminary program. **FASPE Medical is open to all current MD and DO students.** For a list of previous Fellows, please visit [http://www.faspe-ethics.org/fellows-by-year](http://www.faspe-ethics.org/fellows-by-year).
