2018-19 Medical Student Research Fellowship Award

The Sarnoff Fellowship Program offers medical students enrolled in accredited U.S. medical schools the opportunity to spend a year conducting intensive work in a biomedical research facility in the United States, other than the medical school in which they are enrolled. Although applicants may have prior research experience, applications are also encouraged from students without extensive prior research experience.

- Application deadline: January 10, 2018
- $32,000 annual stipend
- $8,000 program allowance
