CLASS OF 2016 OATH

As future healers, we recognize that our patients' individual needs will direct the course of our care. We aspire to marshal our skills in serving our patients and in alleviating their suffering. Maintaining humility and self-awareness, we pledge never to lose sight of the human being standing before us.

We aspire to advocate with empathy and without prejudice. We will empower our patients to reach comprehensive wellness.

We aspire to be scholars. Through life-long learning, we will be innovators and educators. We commit to cultural and humanistic sensitivity along with scientific curiosity.

We understand that we are responsible for our actions and strive to earn the trust of all those in our care.

As dedicated future physicians, we will passionately serve our communities while holding ourselves to the highest ethical standards.
