ABOUT THE ANNUAL SECURITY REPORT

This Annual Security Report (this “Report”) is prepared by the Albert Einstein College of Medicine of Yeshiva University (the “College”) to comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the “Clery Act”) and the Campus Sex Crimes Prevention Act. This Report is updated annually by the College on or about October 1st. The College provides a notice of availability of this Report to current students and employees (and in certain circumstances also provides them with a copy), and also provides a notice of availability of this Report to prospective students and employees. This report is also available on-line on the College’s website at: http://www.einstein.yu.edu/administration/auxiliary-services/security. You may request a paper copy of this Report by contacting the Einstein Security Department (718-430-2180 or security@einstein.yu.edu), the Einstein Housing Office (718-430-3552), or the University’s Human Resources Department (718-430-3308).

The Einstein Security Department is responsible for ensuring the annual publication and dissemination of this Report including compiling the required policy statements and gathering the required crime statistics from other College departments, the New York City Police Department (“NYPD”) and other applicable police departments and law enforcement agencies. The Security Department is in charge of operating the Security Department on the Jack & Pearl Resnick Campus of the College (consisting of several buildings in the Bronx) and ensures the annual publication of a security report for such campus. The Manhattan Security Department is in charge of operating Security Departments on each of the three Manhattan campuses of the University: the Wilf Campus (consisting of several buildings in the Washington Heights section of Manhattan), the Israel Henry Beren Campus (consisting of several buildings in the Murray Hill section of Manhattan), and the Brookdale Center, Benjamin N. Cardozo School of Law (consisting of a building and a nearby housing facility in the Greenwich Village section of Manhattan).

The purpose of this Report is to provide the College community with accurate information about campus security policies, victim’s rights, and crimes occurring on and around the campus.

This Report relates to the Jack & Pearl Resnick Campus of the College in the Bronx. There is a separate annual security report for each other University campus.

The University also annually prepares and publishes an Annual Fire Safety Report for each of the campuses on or about October 1st. The report for the Resnick Campus (Einstein) is posted on-line on the College’s website at: http://www.einstein.yu.edu/administration/environmental-health-safety/.

MESSAGE FROM THE SECURITY DEPARTMENT

Campus safety and security is a shared responsibility. The best protection against campus crime is an aware, informed and alert campus community; students, faculty and staff who use reason and caution; and a proactive security presence. The vast majority of the College’s students, faculty, staff and visitors will never experience crime during their time at the College. However, despite the College’s best efforts, crimes may still occur. The College is committed to maintaining a safe and secure campus. If you have any concerns, questions or comments about the College’s campus safety and security programming, please contact the Einstein Security Department at 718-430-2180.
REPORTING CRIMES, SERIOUS INCIDENTS, AND OTHER EMERGENCIES

As part of a non-profit institution, the College recognizes that it is essential for all members of the College community to maintain the highest ethical standards of conduct and integrity. It is important for a College community member to act immediately in suspected cases of abuse or other crimes, or in a circumstance where a member finds himself/herself either a victim or a witness to questionable activity. In such situations:

- If immediate emergency assistance is required, or a crime is in progress, dial 9-1-1 to call the NYPD.
- For a non-emergency situation, call the Einstein Security Department (718-430-2180, in-house Ext. 2180). The Security Department can help assess the situation and determine what other notification or action is necessary.
- Information on potential criminal activity also may be reported anonymously to the University’s confidential Compliance Hotline by calling the toll free hotline at 866-447-5052 or via the web at https://www.integrity-helpline.com/yu.jsp.

The Security Department maintains an excellent working relationship with the NYPD, the New York City Fire Department ("FDNY"), and other emergency responders. The University has a Memorandum of Understanding with the NYPD, which provides that an investigation be conducted in cooperation with the NYPD of any violent felony offense or missing student on campus. The College also generally reports other serious crimes to the NYPD for their assistance and follow-up investigation.

Alternatively, the following College departments can also be contacted to report crimes or other serious incidents. These departments will in turn contact the Security Department.

- Einstein Office of Student Affairs (718-430-3060)
- Einstein Housing Office (718-430-3552)
- Human Resources Department (718-430-3308)

These departments (and their authorized personnel), as well as the Security Department, are designated as “campus security authorities,” as defined by the Clery Act.

Voluntary, Confidential Reporting of Crimes

The College encourages any victim of a crime committed on campus to report the crime to the Security Department (718-430-2180, in-house Ext. 2180.) or other campus security authorities. If requested by the victim and to the extent permitted by applicable law, the College will endeavor to keep confidential the identity of the victim. Reporting the crime to the College will enable it to keep accurate records of the number of crimes committed on campus, determine if there is a pattern of crime with regard to a particular location, method or assailant, and alert the other members of the campus community to potential danger thereby assisting the College’s efforts to protect the members of the campus community. Reports are counted and disclosed in the annual crimes statistics for the College.
Pastoral and Professional Counselors

“Pastoral Counselors” and “Professional Counselors”, when acting as such, are not considered to be “campus security authorities” and are not required to report crimes for the purpose of investigating or inclusion in the College's annual crime statistics. As a matter of policy, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion in the College’s annual crime statistics or otherwise to the appropriate law enforcement agency.

A “Pastoral Counselor” is defined as employee of the University who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.

A “Professional Counselor” is defined as employee of the University whose official responsibilities include providing psychological counseling to members of the University's community and who is functioning within the scope of his or her license or certification.

SAFETY AND SECURITY AT THE COLLEGE

The Einstein Security Department

A third party contractor carefully selected by the College is responsible for security at the campus. The members of the Security Department, other than the Associate Chief of Security, are employees of this security company.

The Einstein Security Department includes:

The Chief and Associate Chief of Security are on call twenty-four hours a day, seven days a week, to deal with special situations and emergencies. In addition, the Einstein Security Department is comprised of an additional approximately 110 full-time Uniformed Security Officers licensed by New York State. Security Department staff are not sworn and do not carry firearms, nor do they have arrest authority. They are assigned to both fixed and mobile posts, and patrols are conducted in vehicles and on foot across the campus. All security guards receive both pre-employment and in-service training as required by the New York State Security Guard Act. In addition, many of the Security Department staff also received CPR/AED training.

Working with the New York City Police Department

As previously stated, the Security Department maintains a strong, collaborative working relationship with the NYPD. The Resnick Campus (Einstein) is located within the boundaries of
the 49th Precinct of the NYPD. The Precinct is located at 2121 Eastchester Road (718-918-2100).

If the NYPD is contacted about criminal activity occurring off campus involving students of the College, the NYPD may notify the College. However, there is no official NYPD policy requiring such notification. Students in these cases may be subject to arrest by the NYPD and subject to College disciplinary proceedings.

**Crime Awareness and Crime Prevention Programming**

Once a year, the Security Department conducts security orientation sessions for all new students on campus. During these sessions, informative literature concerning crime prevention, fire safety and other safety and security-related matters is distributed and discussed.

**Security and Access to Campus Buildings**

The College takes very seriously its responsibilities to help secure the safety of its buildings for its students, faculty, staff and visitors. Security Officers are posted at all open buildings, and patrols are in place on the campus twenty-four hours a day, seven days a week. Additional personnel are provided for special events held on campus. The post assignments for Security Officers are constantly evaluated and modified, if necessary, to meet current needs.

The Einstein Security Department office is located in the Forchheimer building at 1300 Morris Park Avenue, Room G9. The office can be contacted by calling 718-430-2180 (in-house Ext. 2180). The Security Base, which is operational twenty-four hours a day, seven days a week, is located in the lobby of the Forchheimer building and can be contacted by calling 718-430-2019, in-house Ext. 2019. All calls for Emergency Assistance should be made to the Security Base. The Security Officer answering the call will dispatch security personnel to handle the situation and place calls for the NYPD, FDNY and/or EMS/Hatzolah response.

Valid College identification cards must be displayed to gain entrance to all buildings. Visitors are checked in at the Security Desk of each building, as applicable. With respect to University housing, no one is allowed unless he/she is a resident or other authorized visitor. Guest’s entering the building must show identification, and the Security Officer will verify if the person they are visiting is a current tenant. (For further information, please refer to the applicable Guest Policy which is available on-line on the College’s website at: [http://www.einstein.yu.edu/uploadedFiles/administration/Auxiliary_Services/Housing_Policies.pdf](http://www.einstein.yu.edu/uploadedFiles/administration/Auxiliary_Services/Housing_Policies.pdf). Residents must respond to the lobby to accept deliveries with the exception of UPS and FedEx deliveries. Cooperation with this procedure is essential.

Video surveillance cameras and intrusion alarm systems are installed at certain key locations on campus and are an integral part of the overall security monitoring system. Security personnel are equipped with portable radios for emergency communication.

**Security Considerations in the Maintenance of Campus Facilities**

The College endeavors to maintain its facilities in a manner that minimizes hazardous conditions. Security Officers regularly patrol the campus and report malfunctioning lights and other unsafe physical conditions to the Security Department, where a report is then prepared. Reports are then routed to the appropriate department for corrective action. Members of the College are
encouraged to report to the Security Department (718-430-2180, in-house Ext. 2180) dangerous or hazardous conditions, or other events that could cause damage to campus facilities, and appropriate personnel will be dispatched to correct the condition.

**Notifying the Campus About Crimes and Emergency Situations**

To help prevent crimes or serious incidents, the Security Department (under the direction of the Chief of Security) will issue a warning in a timely manner (i.e., generally as soon as pertinent information is available to it or other campus security authorities) about the commission of any Clery Act Crime (i.e., those listed in the annual crime statistics disclosure) committed on campus or in the vicinity via one or more of the following: text-message, voicemail, email, the College’s website, the University’s hotline, and other available communication channels (which may include campus flat screens). At times, the Security Department (under the direction of the Chief of Security) may also issue a warning in the event that another situation on campus or in the vicinity arises that, in its judgment, could pose a threat to the College community. These warnings are intended to alert the College community to the potential threat, and to help prevent additional crime and promote safety. Crime prevention is of the utmost concern to everyone. In order for the College’s efforts to be effective, security must be a responsibility shared by all members of the campus community. Anyone with information which may necessitate a timely warning should immediately report the circumstances to the Security Department (718-430-2180, in-house x2180). Community Education Security Memos will be periodically distributed to everyone in order to enhance campus safety and security.

The following Emergency Response Policy sets forth the procedures established to address emergency situations requiring immediate notification to the campus community.

**Emergency Response Policy**

As required by federal law, the University has established the following procedures to address emergency situations requiring immediate notification to the campus community.

The University employs separate procedures that govern timely warnings of campus crimes that are sent to the campus community. This policy applies only in situations where the Emergency Response Group (as defined below) determines that there is an immediate threat of danger to the campus community.

**Immediate Notification**

Immediate notification will be used in only those situations (e.g., severe weather, major fires and serious crimes) that occur on campus and involve an imminent threat to the health or safety of students or staff.

In the event of a significant emergency or dangerous event requiring immediate notification, the University will employ an alert system that includes any or all of the following: text-message, voicemail, email, the University’s website, the University’s hotline, and other available communication channels (which may include campus flat screens). The University will generally provide follow-up information to the larger community as appropriate via the University’s website.
The alert system is provided in addition to existing emergency notification procedures and does not replace or eliminate any other emergency notification system (e.g., fire alarms or intrusion alarm systems). If the University follows its immediate notification procedures in the case of an immediate threat, the University is not obligated to issue a timely warning based on the same circumstances.

Emergency Response

The members of the Emergency Response Group are responsible for determining whether there is a significant emergency or dangerous situation on campus. If any member of the Emergency Response Group confirms the existence of a significant on-campus emergency or dangerous situation involving an immediate threat to the health or safety of students or staff, such person, in conjunction with the other members of the Emergency Response Group, is responsible for determining the appropriate segment or segments of the campus community to receive the alert message.

The Emergency Response Group will immediately notify the Office for Communications and Public Affairs of any emergency or dangerous situation, and all public inquiries will be directed to such office.

The Emergency Response Group will, without delay, and taking into account the safety of the community, determine the content of the immediate notification and initiate the alert system, unless issuing an alert will, in the professional judgment of the Emergency Response Group or other responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency situation.

The Office of the President, as well as members of his Cabinet (including, without limitation, the Vice President for Business Affairs, the Vice President for Legal Affairs, the Provost, the Vice President for University Life, and the Vice President for Communications and Public Affairs), the Chief of Human Resources and the Dean of Students (collectively, the “Emergency Response Notification Group”), also will be immediately notified of any emergency or dangerous situation and, as appropriate, consulted in making any such determinations.

The police and other emergency personnel will be contacted as appropriate.

Alert System

The University maintains multiple systems for alerting students and staff about campus emergencies. The University provides alert messages to the campus community, via the YU ALERT system. To receive the above notifications, students and staff are strongly encouraged to register their cell phones, text devices, PDAs and land-line phones by visiting www.yu.edu/yualert.

Emergency alerts are also sent to email addresses ending in “yu.edu.”
Annual Testing

The Security Department, in conjunction with the Department of Environmental Health and Safety (as applicable), is responsible for testing the University’s emergency response and evacuation procedures at least once per year. These tests may be announced or unannounced. The Security Department and/or the Department of Environmental Health and Safety (as applicable) is responsible for maintaining documentation for each test, including a description of the exercise, the date and time of the exercise, and whether the drill was announced or unannounced. The University will publicize its emergency response policy to all current students and staff in conjunction with at least one test per year.

**Daily Crime and Fire Safety Log**

The Security Department office on each campus maintains a daily Crime Log and Fire Safety Log for such campus (on the Resnick Campus (Einstein) in the Forchheimer building at 1300 Morris Park Avenue, Room G9). The logs for the most recent 60-day period are available for public inspection, upon request, during normal business hours, Monday to Friday, and information for prior periods is available upon request to the Security Department, with at least 2 business days prior notice. Notice of the availability of the logs can be found on the College’s website at: http://www.einstein.yu.edu/administration/auxiliary-services/security/

These logs include all crimes, fire-related incidents and other serious incidents reported to the Security Department that occur on the applicable campus, including non-campus buildings or properties, on public property or within the Security Department’s jurisdiction, or crimes
reported to the Security Department by the NYPD.

The logs set forth the incident type, date the incident is reported, date and time of occurrence, and general location of the incident, as well as the disposition of the incident (if this information is known). An incident is posted into the log by the Security Department within 2 business days of it receiving a report of an incident; provided that the Security Department may exclude reports from a log in certain circumstances as permitted by law.

**Campus Sexual Assault Policies**

Respect for one another is essential to preserving the spirit of the College community. Membership in the community entails certain rights and responsibilities. All members of the community are afforded these rights, and are equally accountable to uphold their responsibilities. Members are also expected to abide by all Federal, New York State, and New York City laws.

Students, faculty and staff who violate the College’s rules, expectations, or requirements are subject to disciplinary action, whether the conduct occurs on campus or otherwise in a College facility, or in connection with any College-sponsored activity.

The College views all forms of sexual assault and all attempts to commit such acts as violations of the aforementioned rules, expectations and requirements, and will treat such acts as serious offenses that are likely to result in an appropriate sanction. Additionally, individuals who commit acts of sexual assault are also subject to prosecution under New York State criminal laws. Any criminal prosecution may take place independently of charges under College regulations.

The College urges any victim of a sexual assault occurring on or near campus to report the crime to both the Einstein Security Department, (718-430-2180, in-house Ext. 2180,), and the NYPD. Victims may also report the crime to the Einstein Office of Student Affairs (718-430-3060), Human Resources Department (718-430-3308) and Einstein Housing Office (718-430-3552). College personnel will assist the victim through the reporting process with the NYPD. Notification to the NYPD is solely the option of the victim, and the College will support that decision to the extent permitted by applicable law. Reporting a sexual assault may help prevent another assault. Reporting the incident does not mean that the victim must proceed with a College disciplinary process or a criminal prosecution. It is imperative that the victim make every attempt to collect and preserve any evidence of the crime for later prosecution. Time is a critical factor for evidence collection and preservation. Student victims have the option to change academic schedules and/or on-campus residence hall assignments, if such changes are reasonably available. The Security Department can assist victims in contacting on- and off-campus resources for medical, legal, or emotional support. There are also outside sources of support available to victims, including The NYC Alliance Against Sexual Assault (on-line at www.svfreenyc.org), which has compiled numerous resources available to victims. College disciplinary action will be taken for any such offense by College employees or students. During this action, the accuser and the accused are entitled to the same opportunities to have others present during the proceeding. The accuser and the accused must be informed of the outcome (final determination with respect to the alleged sex offense and any sanction that is imposed against the accused) of any College disciplinary proceeding. If the accused is a student, the sanction may include the suspension or expulsion of the accused.

Compliance with this procedure does not constitute a violation of the Family Educational Rights
and Privacy Act (“FERPA”).

The College also has a comprehensive set of policies and procedures for its employees regarding unlawful harassment which are available on-line on the College’s website at: http://www.einstein.yu.edu/administration/policies.asp. In addition, the Harassment Policy and Complaint Procedures for students can be found on-line on the College’s website at http://www.einstein.yu.edu/docs/administration/policies/procedures-complaints-harassment.pdf

**Sexual Assault Prevention Programming**

From time to time, the College provides educational programs to its students to promote the awareness of sex offenses and the availability of victim counseling services. At times the College has also offered programs regarding domestic violence and building healthy relationships.

**Campus Sex Crimes Prevention Act**

In accordance with the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Clery Act and FERPA, the College is providing a link to the New York State Police Sex Offender Registry. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. A listing of all registered sex offenders in New York State is maintained by the New York State Division of Criminal Justice Services. Information regarding a registered sex offender can be obtained by calling the New York State Sex Offender Registry Information Line at 1-800-262-3257 or on-line at http://www.criminaljustice.state.ny.us/nsor/index.htm. The ZIP code for the Resnick Campus (Einstein) is 10461.

**ILLICIT DRUGS AND ALCOHOL POLICY**

The issue of safety touches on many other areas of campus and city life, among them the use and sale of illegal drugs, underage drinking, and abuse of alcohol. The College is committed not only to educating students on issues concerning alcohol and drug use but also to responding to behavior that is in violation of the College’s policies on substance abuse and alcoholic beverages. Detailed information about the College’s policies and procedures regarding the use/abuse of alcohol and other drugs by students, faculty and staff can be found in “YESHIVA UNIVERSITY PROGRAM PURSUANT TO THE DRUG FREE SCHOOLS AND COMMUNITIES ACT AMENDMENTS OF 1989,” which document is available on-line on the College’s website at: http://129.98.182.8/Home/policies2/DRUG.pdf and at: http://www.einstein.yu.edu/administration/policies.asp (the “Drug Free Workplace”). The Drug and Alcohol Policy is also distributed by the College to all students and employees. The College has other policies and prohibitions regarding both illegal substances and alcohol use
which can be found on the College's website. It should be noted that it is unlawful to sell, furnish or provide alcohol to a person under the age of 21 in New York State. Copies of the Drug and Alcohol Policy are available in the Security Department office (Forchheimer G-9).

Once a year, the Security Department conducts security orientation sessions for all new students on campus. During these sessions, informative literature concerning crime prevention, fire safety and other safety and security-related matters is distributed and discussed.

The unlawful possession, use, or distribution of illicit drugs at any facility of the College or in connection with any activity sponsored by or under the control or supervision of the College shall subject the student or employee of the College to appropriate disciplinary action by the College and referral by the College for criminal prosecution by appropriate governmental authorities. In addition, being under the influence of illicit drugs (other than lawfully prescribed drugs) when classes are in session or during working hours, or while engaged in activities sponsored by or under the control or supervision of the College, shall also subject the student or employee to disciplinary action. In the case of students, such disciplinary action may include suspension or expulsion. In the case of employees, such disciplinary action may include suspension or discharge. Criminal sanctions for the unlawful possession, use, or distribution of illicit drugs can be found in the Drug and Alcohol Policy.

**Standards of Conduct on Alcohol**

- Persons under the age of 21 years are prohibited from possessing any alcoholic beverage on University premises or at any event sponsored by the University or by a University organization whether the event is held at the University or not. It is the policy of the University to prohibit the serving of alcoholic beverages to persons who cannot establish that they are 21 years of age or older.
- Undergraduate students, regardless of age, are prohibited from consuming alcoholic beverages on University premises or at University events. Undergraduate students, regardless of age, are also subject to any further applicable restrictions of their individual school or residence facilities concerning alcoholic beverages.
- All students, including undergraduate, graduate and professional students, are prohibited from being under the influence of alcohol while engaged in academic or professional activities sponsored by, under the control of, or supervised by the University.
- Employees are prohibited from being under the influence of alcohol during working hours or while engaged in activities sponsored by, under the control of, or supervised by the University. Employees are also prohibited from bringing alcoholic beverages into, or consuming alcoholic beverages on, University premises or at activities sponsored by, under the control of, or supervised by the.
- A limited exception exists only in regard to the non-intoxicating consumption of alcoholic beverages at events sponsored by the University or any of its recognized departments or divisions to which an employee, who is 21 years of age or older, is expressly invited.
Information on Legal Sanctions

The possession, use, or distribution of illicit drugs, depending on the nature of the crime, contains penalties up to imprisonment for life.

Federal penalties for illegal possessions of a controlled substance, and a description of Federal Trafficking (i.e., distribution) penalties for substances covered by the Federal Controlled Substances Act and of applicable New York State and New York City provisions can be found in the Drug and Alcohol Policy.

Criminal penalties and sanctions may also result from the misuse of alcoholic beverages. For example:

- A person under the age of 21 who possesses alcoholic beverages with intent to consume is subject to a $50 fine and/or completion of an alcohol awareness program.
- A person under 21 who presents falsified proof of age when purchasing or attempting to purchase alcoholic beverages commits a criminal violation and can be fined up to $100 and be required to perform community service not to exceed thirty hours.
- A person who drives while intoxicated commits a criminal misdemeanor that is punishable by up to one-year imprisonment and up to a $1,000 fine, plus revocation of that person's driver's license for six months.
- New York City law prohibits consumption of an alcoholic beverage or possession with intent to drink an open container containing an alcoholic beverage in any public place except where a permit has been obtained. The possible penalty is a $25 fine or 5 days imprisonment.

MISSING STUDENTS POLICY

As required by federal law, the University ("YU") has established the following policies and procedures to address situations when a student who resides in on-campus housing is determined to have been missing for 24 hours.

This policy applies only to students who reside in YU's on-campus housing, which is defined as housing that is (1) owned or controlled by YU or located on property that is owned or controlled by YU, and (2) located within the reasonably contiguous geographic area that makes up the YU campus.

The policy does not apply to students residing in apartments or other residences not leased or licensed from YU.

The policy is also available on-line on the College's website at: http://www.einstein.yu.edu/administration/policies.asp.

A. Policies

Definition of a Missing Student

A student is considered to be “missing” when a student who resides in on-campus housing has
been absent from YU for more than 24 hours without any known reason.

Reporting Missing Students

All reports of missing students should be directed to YU’s Security Department, the Dean of Students, or the Housing Department, in each case for the campus in question.

Any reports made to the Dean of Students or the Housing Department will be referred immediately to YU’s Security Department for the campus in question.

Designation of a Contact Person

All undergraduate students who apply for student housing must designate on their application for housing a contact person whom YU will notify within 24 hours of the determination that the student is missing.

All graduate students are given the opportunity to designate such a contact person on their application for student housing.

The Housing Department for the applicable campus will keep information about a student’s designated contact person confidential. The information will be disclosed only to authorized campus officials and to law enforcement personnel, but only when it is necessary to further a missing person’s investigation.

Mandatory Notifications

Students under the age of 18 (who are not emancipated) should be aware that YU is legally required to notify a parent or guardian within 24 hours of the determination that the student is missing. In such cases, YU will notify both the parent/guardian and any additional contact person that has been designated by the student.

In addition, all students should be aware that YU will notify the New York City Police Department (“NYPD”) within 24 hours of a determination that any student is missing, regardless of that student’s age or whether that student has designated a contact person.

B. Procedures

Immediate Response

Once it has been determined that a student who resides in on-campus housing has been missing for 24 hours, YU will take the following immediate steps:

1. The Security Department personnel designated by the Chief of Security for the applicable campus will respond to the scene and interview the individual who reported the student missing and any other witnesses to obtain all pertinent facts, including an accurate description of the student, what he or she may be wearing, and the location and time where and when he or she was last seen.

2. The Security Department personnel responding to the scene as provided above
will notify the Chief of Security for the applicable campus of all pertinent facts prior to initiating any additional action.

3. The applicable Chief of Security, or his or her designee, will:
   
   a. Contact the applicable Director or Assistant Director of the Housing Department, or such other personnel as they may select, to determine if he or she is aware of the student having left campus for other reasons;
   
   b. Contact the applicable Dean of Students, and such other personnel as they may select (which may include the applicable Finance Department, Office of the General Counsel and Dean’s Office, and, in the case of students of the Albert Einstein College of Medicine, the Associate Dean for Finance & Administration), and
   
   c. Obtain copies of the student’s ID cards from the applicable Security Office and distribute copies to all guard posts at the applicable campus.

4. If the location where the student was last seen was a YU building, a search team will be formed to perform a thorough search of the building and the outside perimeter. The search team will then broaden its search to the rest of the campus buildings and grounds.

5. The Security Department for the applicable campus will notify supervisory personnel at other YU campuses about the missing student.

6. The Security Department for the applicable campus will contact the following appropriate local police precinct to inquire if the missing student has been the subject of any police action.

   Resnick Campus (Einstein) - 49th Precinct – (718) 918-2000

7. The Security Department for the applicable campus will prepare an Incident Report.

Response Within 24 Hours

Within 24 hours of making the determination that a student who resides in on-campus housing is missing, YU will take the following steps:

1. The applicable Security Department, the Dean of Students, or the Housing Department will notify the student’s designated contact person (if the student has designated one) that the student is missing.

2. If the student is under the age of 18 (and not emancipated), the applicable Security Department, the Dean of Students, or the Housing Department will notify the student’s parent or guardian that the student is missing.

3. The applicable Security Department, the Dean of Students, or the Housing Department will notify the NYPD.
Cooperation with the New York City Police Department

Once the NYPD has been notified, YU will cooperate with the NYPD as follows:

- The applicable Security Department will advise the NYPD of all actions taken by the Security Department and other YU personnel up to that point.
- The applicable Security Department will provide the NYPD with an office near the applicable campus Security Office to be utilized as a police headquarters.
- The applicable Security Department will work with the NYPD to ascertain whether the NYPD Missing Persons Squad has any information about the student.
- The applicable Security Department will request that the Precinct Detective Squad be notified for appropriate response.
- The applicable Security Department will request that the NYPD Communications Division broadcast a description of the missing student to patrol units.
- The applicable Security Department will request that the NYPD enter the missing person into the Federal N.C.I.C. system at the conclusion of the NYPD investigation.

If the Security Department, the Dean of Students, or the Housing Department is properly notified that a missing student has been located, they may inform the student's parent or guardian (in the case of students under the age of 18 who are not emancipated) and/or the student's designated contact person (if any).

WEAPONS POLICY

The possession of any weapon (as defined in local, state and federal statutes, and includes, without limitation, firearms, knives and explosives) on any University campus is strictly prohibited. This prohibition applies to all facilities owned, leased or otherwise controlled by the University, and whether academic, residential or otherwise. Failure to comply with this Policy may result in disciplinary action by the University (up to and including, in the case of a student, suspension or expulsion and, in the case of an employee, termination of employment) and also may result in criminal prosecution. In addition, the University reserves the right to confiscate the weapon. This Policy applies to all members of the University community as well as all visitors and guests, and regardless of whether the possessor is licensed to carry that weapon.

Exceptions to this Policy may only be made with the written permission of the Chief of Security of the applicable campus, in consultation with the University’s Vice President for Administrative Services or, in the case of the Resnick campus (Albert Einstein College of Medicine), with the written permission of the Senior Director of Auxiliary Services, in consultation with the Executive Dean.

CRIME STATISTICS FOR RESNICK CAMPUS (EINSTEIN)

The Clery Act requires the University to publish statistics for certain crimes that have taken place as a matter of information and record. The following statistics reflect those crimes that were reported to the Security Department and the other campus security authorities during the
indicated period relating to the Resnick Campus (Einstein). (Additional copies of this report are available at the Security Department office, Forchheimer G-9).

The statistics are printed as reported to the Security Department. The statistics were valid at publication, but may not reflect current trends.

CRIME STATISTICS FOR NON-CONTIGUOUS PROPERTY

The Clery Act also requires the University to publish statistics for specified crimes for certain non-contiguous properties.

The University’s affiliate, Caroline and Joseph Gruss Institute of Yeshiva University in Israel (Registered Amuta) (“YUI”), operates a campus in Israel at 40 Duvdevani St., Bayit VeGan, Jerusalem. The campus is comprised of four buildings: three are used for residence halls and one is used for classrooms, administrative offices, a dining room and other non-residential purposes.

A third party contractor carefully selected by YUI is responsible for security at the campus. The security company hires security guards for the campus, and regularly meets with site administrators to discuss issues and ways to improve services. The security company also maintains a dialogue with local police and fire departments, and Israeli government security organizations.

The campus is surrounded on all sides by a fence, and video surveillance cameras and intercoms are installed at certain key locations. The main entrance to the campus is staffed by a security guard twenty four hours a day, seven days a week, and the guard also controls access to two other campus entrances which are locked and monitored via video cameras: one for deliveries and one for pedestrian traffic. All visitors must enter the campus via the main entrance, and must present proper identification and be approved admission by the guard. Additional guards are posted throughout the campus on the Sabbath and certain Jewish holidays. All guards are armed with handguns. Intercoms with direct access to the main security desk are installed at certain key locations in the residence halls.

The following statistics reflect the specified crimes relating to the YUI campus that were reported to the University during the indicated period. The statistics were valid at publication, but may not reflect current trends.

All University-wide decisions with regard to faculty, staff and students are based on equitable and equally applied standards of excellence. Unlawful Harassment procedures have been established, both as a legal obligation under applicable law and as a visible and formal expression of institutional policy. The University’s policy is designed to insure that recruitment, hiring, training, promotion, and all other personnel actions take place, and all programs involving students, both academic and non-academic, are administered without regard to race, religion, creed, color, national origin, sex, age, disability, veteran or disabled veteran status, genetic predisposition/carrier status, marital status, sexual orientation, gender identity or citizenship status as those terms are used in the law. In addition, this policy is designed to maintain a work and academic environment free of harassment and intimidation. If you have any questions relating to equal opportunity, affirmative action or if you wish the University to pursue a possible violation of the policy, you should contact the University’s Diversity & Affirmative Action Officer, Ms. Renee Coker at (718) 430-3771, or a member of the University’s Panel on Unlawful Harassment.
