COMPUTER POLICIES

- Protect your credentials and system from unauthorized use. You are responsible for all activities on your user id or that originate from your system. Your user id and password act together as your electronic signature.
  - Montefiore IT or the Graduate Division will never ask for your credentials.
- Use college resources only for authorized purposes.
- Access only information that is your own, that is publicly available, or to which you have been given authorized access.
- Use only legal versions of copyrighted software.
  - Do not share/transmit/store illegal copies of copyrighted software.
• Do not share your credentials (username and/or password)
  • Montefiore IT or the Graduate Division will never ask for your credentials
• Do not use another person’s system, files, or data without permission
• Do not overload college network with excessive data, degrading services, or wasting computer time
• Do not use computer programs to decode passwords or access-control information
• Do not attempt to bypass or disrupt system or network security measures
• Do not engage in any activity that might be purposefully harmful to systems or network
