- **Check-in and -out**
  
  **Luggage:**
  When you arrive (either by bus or car), we will store your luggage in the hotel's holding area until your rooms are ready, and then the luggage will be delivered to your rooms. Of course, you do have the option of stopping by the luggage room to pick up your luggage at any time as well.

  **Check-in:**
  Please fill the group registration form “EXCEPT” for the part of Credit card information (because your rooms are put as a 'cash-only' room), and give it to Drs. Ito or Bowman on your arrival. We have check-ins of approximately 60 attendees, and this will greatly help expedite check-in. Thank you for your cooperation in advance.

  Hotel accepted to do our check-in remotely in the Parlor Room at 4pm. When our poster session is over, the keys will be ready.
