Tuition Policy (Bioethics)

I. Purpose

This Policy defines tuition and due dates for the Bioethics programs at Albert Einstein College of Medicine (“Einstein”).

II. Scope

This Policy applies to all students enrolled in any of the Bioethics programs: Master’s in Bioethics (MBE), Certificate, or stand-alone course enrollment.

III. Policy

III.A. Tuition (2018-2019)

Tuition charges for the current academic year are set at $1,181 per credit, with the one exception being the Certificate Program (6 credits), charged separately at a rate of $6,000 for the complete program. Tuition is payable by semester and is due before the beginning of classes. Invoices will be generated through the Office of Student Finance, before each semester, based on the number of credits to be taken. Students who have an overdue debt to Einstein will not be able to register for courses.

III.B. Deposit and Tuition Refund

Each new Certificate and Masters student will provide a non-refundable deposit of $500 upon accepting our admissions offer. The deposit will be applied toward the first semester's tuition, which as always is due in full before classes begin. Where applicable, tuition refunds for individual courses are given on a prorated basis, according to the Course Add, Drop, and Withdrawal Procedure (Bioethics), BIOE-SOP-2018-003.

III.C. Financial Aid

For very helpful details concerning tuition reimbursement, payment plans and student loans, please see the Student Financial Aid Policies and Procedures, OSF-POL-2017-001.
