The Early Intervention Training Institute is pleased to announce its annual multidisciplinary lecture series. The series will address topics relevant to young children (birth to 5) with developmental disabilities and their families. The series is open to graduate students and professionals representing a variety of disciplines. Attendance options include one or more sessions. In the past, many agencies and institutions have sent different staff members to different sessions.

We are also offering workshops for small groups of professionals who have previously acquired extensive background in specified areas, and who are working with young children on a daily basis.

Lectures will be held in the new auditorium of the New York Institute for Special Education.

Workshops will be held at Frampton Hall.

Objectives: At the conclusion of the course, the participant should be able to:
1. Identify characteristics of developmental disabilities and related medical conditions in young children.
2. Demonstrate understanding of assessment and intervention approaches.
3. Discuss developmental concerns with families of young children.
4. Provide or coordinate intervention services for young children with disabilities and their families.

Target Audience: Pediatricians, audiologists, educators, nurses, occupational therapists, physical therapists, psychiatrists, psychologists, social workers, speech pathologists, administrators and staff of agencies serving young children.

Content: See enclosed schedules of topics and speakers.

Time: Lectures
Tuesdays 1:00 – 3:00 p.m.
March 3rd, March 10th, March 17th, March 24th, March 31st, and April 14th, 2015

Workshops
Morning workshops:
Tuesdays 9:30 – 11:30 a.m.

Workshops
Frampton Hall
985 Astor Avenue
Bronx, New York 10469

(Continued)
Funding: This activity of the Early Intervention Training Institute has been funded by the Administration on Developmental Disabilities. There is no registration fee.

Transportation and Parking: The New York Institute for Special Education is located at 999 Pelham Parkway North, on the service road.

Frampton Hall of the New York Institute for Special Education is located at 985 Astor Avenue (one block north of Pelham Parkway and one block west of Williamsbridge Road).

Parking is available on the service road of Pelham Parkway and on the residential streets near Astor Avenue.

By subway and bus:
IRT No. 5 (Dyre Avenue) train to Pelham Parkway-Williamsbridge Road Station. Walk one block north on Williamsbridge Road and turn left on Astor Avenue.

IRT No. 2 (241st Street White Plains Road) to Pelham Parkway-White Plains Road Station. Take No. 12 bus east on Pelham Parkway to Williamsbridge Road. Cross Pelham Parkway and walk one block north. Turn left on Astor Avenue.

Inclement Weather: The New York Institute will be closed if the New York City public schools are closed. In that event, lecture and workshop sessions will be canceled.

Registration: Pre-registration is required. Registrations will be accepted on a first come, first served basis until available space is filled. Acceptance for workshops is also based on background and reasons for attending.

Registration will be limited to 80 participants per lecture and 30 to 40 participants per workshop.

Each participant must register individually by E-mail or by mail. We regret that we cannot accept group, telephone, or fax registrations. Separate confirmations will be sent for lectures and workshops.

Please send registration forms to:

By Email: janiece.rincon-cruz@einstein.yu.edu

By Mail: Early Intervention Training Institute
Rose F. Kennedy Center
Van Etten Building
1225 Morris Park Avenue
Bronx, NY 10461

Attention: Janiece Rincon-Cruz

Documentation of Attendance: Documentation of attendance can be provided on request. Continuing medical education credit will no longer be available.
